Remarks:

1. Payment is made when submitting the application. The visa application Center accepts cash, credit cards and other payment methods.
2. The legalization fee (excluding tax) shall be collected by the Visa application center on behalf of the Chinese embassy or consulate, and the service fee (including tax) shall be collected by the visa center.
3. Legalization documents are generally not processed urgently.
4. Total amount = legalization fee ++ service fee (base price before service fee tax + 12% value-added tax).
5. Normal processing is 4 working days. If the applicant has reasonable reasons, the length of the expedited service after obtaining the consent of the embassy is subject to the telephone or e-mail notification of the visa application center.
